This is a Core Model Safeguarding Policy that forms part of the induction for all staff students and volunteers. It is a requirement that all members of staff, students and volunteers have access to this policy and sign to say that they have read and have understood its contents.

Purpose and Aims

The Statutory Framework for early years foundation stage 2017 (EYFS) sets out the standards for learning development, assessment and the safeguarding and welfare requirements which all Early Year's providers must meet in order to ensure the children in their care learn and develop well and are kept healthy and safe.

To meet this requirement, Morning Glory Pre-school will ensure that all our staff are trained to understand the settings safeguarding policy and procedures and that they have up to date knowledge of safeguarding issues which will enable them to identify the signs and symptoms of possible abuse.

Morning Glory Preschool Safeguarding policy of 25/06/2021 applies to all our staff, including paid staff, volunteers, sessional workers, agency staff, one-off visitors, students or anyone working on behalf of the setting.

The aim of our safeguarding and child protection policy at Morning Glory pre-school is to provide all staff committee/trustees/proprietors, visitors and volunteers with a framework which will enable them to safeguard and promote the welfare of all children in the setting.

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as

- Protecting children from maltreatment
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable children to have the best outcomes

NB Children includes everyone up to the age of 18 years of age

Child protection is the activity that is undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.

Legislative & Guidance Framework

Under section 10 of the Children Act 2004, all maintained schools, further education colleges and independent schools, including free schools, academies and early years providers, are required to cooperate with the local authority to improve the well-being of children in the local authority area.

Under section 40 of the Childcare Act 2006, early years providers registered on the Early Years Register and schools providing early years childcare, must comply with the welfare requirements of the Early Years Foundation Stage

This Safeguarding policy and procedures have been developed in accordance with the principles established by the Children Act 1989; and is in line with the following statutory and departmental guidance:

- Statutory Framework for the Early Years Foundation Stage
<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>
(Safeguarding and Welfare requirements)
- Keeping Children Safe in Education 2020

Responsibility of governing bodies, proprietors and management committees

The overall responsibility for the compliance with statutory safeguarding requirements lies collectively with the Governing Body/Trustees or Managing Director/s. In such case Elizabeth Oyinka-Antwi is nominated as having the lead responsibility for Safeguarding. Sole Traders and Childminders will personally hold the responsibility for safeguarding. Elizabeth Oyinka-Antwi is responsible for ensuring that there are appropriate policies and procedures in place for action to be taken in a timely manner to safeguard and promote the welfare of the children.

NB Childminders have this responsibility

At Morning Glory Pre-school, we acknowledge that our staff are in a unique position to observe any changes in a child's behaviour or appearance which could alert us to safeguarding concerns about their well-being. This is especially important in children who are unable to communicate through spoken language e.g. babies, very young children and children with SEND.

We are therefore guided by the following key principles.

- All children have the right to be safe and should be protected from all forms of abuse and neglect
- Safeguarding children is everyone's responsibility
- It is better to help children as early as possible before issues escalate and become more damaging
- Children and families are best supported and protected when there is a coordinated response from all agencies

As part of our ongoing commitment to safeguarding children in our care we will ensure that this policy is readily available for professionals, parents and partners, to access via our website www.morningglorychildcareservices.co.uk We will ensure that parents are also given access to the policy prior to children attending the setting and following each update. Where English is not the parents first language, support and consideration will be given to access the information.

We will ensure all staff are supported to read, understand and put the policy into practice. We will ensure staff access safeguarding and child protection training at a minimum annually, and receive support and supervision. In addition to this Safeguarding Policy we also have other supporting policies and procedures in place to enable us to ensure that all children in our care are supported and feel safe.

Covid-19

Early years settings are responsible for safeguarding and caring for, and supporting the development of, children who attend as set out in the Statutory framework for the early years foundation stage (EYFS). Local agencies, services and settings should work together to actively look for signs of harm given the greater risk of harm some children may have been exposed to through the coronavirus (COVID-19) outbreak. In the case of vulnerable children and particularly those with social workers, early years providers should continue to encourage those children to attend regularly and notify their social worker if they stop attending. Settings are also responsible for planning and implementing the 'system of controls', building on the hierarchy of protective measures that have been in use throughout the coronavirus (COVID-19) outbreak.

The Department for Education produced guidance for Early Year Providers Actions for early years and childcare providers during the coronavirus (COVID-19) outbreak. Latest COVID-19 advice and information has been developed by Waltham Forest, which is updated according to any further changes.

Obligatory practice for ALL staff

At **Morning Glory Pre-school** we recognise that we as individuals:

- Are responsible for safeguarding
- Must be able to identify the signs and symptoms of abuse
- Must be able to identify concerns (Early Help / Child in Need / Child Protection / Allegations Against professionals
- Aware that children's poor behaviour may be a sign that they are suffering harm or that they have been traumatised by abuse.

- Understand that children who have a social worker may be educationally disadvantaged and face barriers to attendance, learning, behaviour and positive mental health.
- Understand that mental health issues for children may be an indicator of harm or abuse, or where it is known that a child has suffered harm or abuse this may impact on their mental health, behaviour and education.
- Understand that safeguarding incidents and/or behaviours can be associated with factors outside the setting and/or can occur between children outside of these environments.
- Must be familiar with internal reporting procedures and processes (reporting safeguarding concerns to DSLs, and allegations only to Proprietor/similar)
- Must refer concerns to children's social care in the absence of Designated Safeguarding Leads (DSL)
- Must ensure that all safeguarding concerns are shared promptly with DSLs
- Must be able to challenge professional safeguarding decisions internally/ externally with other agencies
- Must refer/ escalate a case if we disagree with the DSL not to refer, with respect and transparency
- Must be able to whistle blow when required
- We are also aware as individuals regardless of where we work within our setting that we are responsible for reading and reviewing the safeguarding policies of Morning Glory pre-school

Designated Safeguarding Lead (DSL)

The role of the DSL and deputy DSL will be made explicit in both post holders job descriptions. The Managing Directors Governors/Trustees with Lead responsibility for Safeguarding will ensure that both persons appointed as DSL and Deputy DSL are trained to the same standard. Both the DSL & Deputy DSL will be given the appropriate authority, time, funding, training, resources and support to provide advice and support to other staff on child welfare and child protection matters.

The lead DSL's ultimate responsibility which is safeguarding & child protection including online safety will not be delegated.

At Morning Glory Pre-school the Designated Safeguarding Lead (DSL) Elizabeth Oyinka-Antwi who has a specific operational responsibility for implementing the organisations safeguarding and child protection policies and procedures. If Elizabeth is unavailable, to ensure safeguarding matters are dealt with promptly Sabrina Ibersiene our Deputy DSL will be available to cover the DSL duties.

To safeguard children our Designated Safeguarding Lead Elizabeth and our deputy DSL Sabrina will undertake formal DSL training at a minimum every two years. This will be to equip and provide them both with the knowledge and skills required to carry out the role of the DSL and support staff. In addition, the DSL and the Deputy DSL will attend regular DSL forums at a minimum four times a year and will access safeguarding updates into developments and training relevant to the role of the DSL including managing allegations and managing thresholds.

The names of the DSLs will be clearly advertised on the settings notice board along with a statement explaining the settings role in referring and monitoring welfare and safeguarding concerns.

Working in partnership

We will work in partnership with all agencies i.e. LBWF Safeguarding in Education & Local Authority Designated Officer (LADO) service, Early Help, Multi-Agency Safeguarding Hub (MASH), Social Care, Health and the Police to ensure the children's safety and welfare is always paramount. We will also seek to establish effective working relationships with both parents, carers and other colleagues so that we can develop and provide activities and opportunities that will enable and equip the children in our care with the necessary skills that they will need to develop protective behaviours and life skills to keep themselves safe from harm.

Staffing and Safer Recruitment

We are an equal opportunity employer and are committed to using non-discriminatory procedures in our recruitment process, to ensure all candidates who apply for employment at Morning Glory Pre-school are treated fairly and that we recruit people who are suitable to fulfil the requirement of their role.

To recruit we pay regards to

the Keeping Children Safe in Education 2020 and the EYFS 2017 3.9, 3.10, 3.12 and Criminal record checks for childminders and childcare workers and the London Child Protection 5th edition.

To prevent unsuitable people working with children in our setting we have put in place a robust safer recruitment procedure.

All individuals working in any capacity at Morning Glory Pre-school will be subjected to safeguarding checks in line with the statutory guidance Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges, September 2020. We will ensure that agencies and third parties who supply staff (temporary) to us provide us with written reassurance that they have made the appropriate level of safeguarding checks on the individuals prior to them engaging in working in our setting. We will also ensure that any agency worker presenting for work is the same person on whom the checks have been made.

We will ensure that alternative provision providers provide written reassurance that they have made the appropriate level of safeguarding checks on individuals working for their organisation.

In recruiting staff, we will ensure that every job description and person specification have a clear statement about the safeguarding responsibilities of the post holder which is to safeguard and promote the welfare of children

To recruit staff, we will ensure that at least one member of every interview panel has completed safer recruitment training and:

- All candidates will be subjected to qualification and identity checks
- An enhanced DBS certificate which includes barred list information check will be undertaken for all candidates

- All records will be kept which relate to the employment of staff and volunteers, thus demonstrating that checks have been undertaken, including the date and number of the enhanced child barring DBS and CRB check.
- We will obtain a minimum of at least two references for all potential new staff and volunteers
- All new staff are required to produce documentation that confirms they have the right to work in the UK.
- All permanent appointments to Morning Glory Pre-school will be subject to a probationary period six months.
- All staff and or volunteers will be fully inducted into the setting with regards to understanding the safeguarding policy and procedures of the setting and will be trained to identify signs and symptoms of possible abuse EYFS 2017, 3.16

All Staff are expected to disclose any convictions, cautions, court orders, reprimands and

warnings which may affect their suitability to work with children-whether received before, or at the point of recruitment

For staff including volunteers who work in our childcare provision or who are directly concerned with the management of such provision (trustees, management committee members), we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the Childcare (Disqualification) Regulations 2009”.

Disqualification by Association

Disqualification ‘by association’ means that you could be disqualified from providing childcare in a childminding setting because an offence or offences have been committed by someone who lives in your household.

From the 31st August 2018, changes were made to the childcare disqualification arrangement. These changes reflected in removing the ‘disqualification by association’ element from schools and other non-domestic settings. However, disqualification by association is still relevant where childcare is provided in domestic settings (for example where childminding is provided in the home) or under registration on domestic premises, including where an assistant works on non-domestic premises up to 50% of the time under a domestic registration.

Full details of the recruitment procedures are set out in our safer recruitment procedure document

Staff, volunteers, student induction, training & development

The DSL will ensure that all new members of staff, volunteers and students are given an induction into the setting that will include the following:

- Issue and explain the safeguarding and child protection policy
- Issue and explain the behaviour policy of the setting
- Issue and explain the staff behaviour policy/code of conduct

- Explain the role of the DSL and share the identities of the DSL and all DDSLs
- Child protection and safeguarding training (including online safety) (within 1 month of starting)
- All new members of staff, volunteers and students are expected to read the above-mentioned documents and to sign an acknowledgement of this.

Staff code of conduct

All staff, volunteers and students are responsible for safeguarding and promoting the welfare of children and young people. This responsibility extends to a duty of care for those adults employed, commissioned or contracted to work with the children. These adults who work with children are responsible for their own actions and behaviour and should avoid any type of conduct which would lead any reasonable person to question their motivation and intentions. At **Morning Glory Pre-school** all staff will work and be seen to work, in an open and transparent way. We will ensure that this professional standard is applied to all children and families regardless of culture, disability, gender, language, racial origin, religious belief and/or sexual identity.

At **Morning Glory Pre-school** our staff will

- Be approachable and friendly, while still being objective and professional and not blurring relationship boundaries.
- Offer advice and support to parents in a respectful way, including initiating possibly difficult discussions, directing parents to other relevant services and making appropriate referrals.
- Share the safeguarding policy with parents and how the information will be shared with professionals.
- Focus on the care and development of each individual child, not making comparisons with other children or breaching confidentiality.

Staffing Policy (includes Key Person)

At **Morning Glory Pre-school** we acknowledge the contribution to safeguarding the Key Person role can make in ensuring that all children in the setting feel safe, secure and assured that they will be listened to and appropriate action taken should they feel or become unsafe. To ensure this every child at the setting will be allocated a key person on joining the setting.

The setting will make every attempt to deploy the Key Persons so that they are with their Key children as much as possible.

The manager of the setting will ensure that all staff are effectively deployed throughout the day to meet the statutory requirements of the Statutory Framework for the Early Year's Foundation Stage. We will endeavour to provide additional staffing to ensure key times during the day e.g. arrivals and settling in children are covered effectively to meet the needs of the children. We will also ensure that there is always one member of staff in the group who possess a full and relevant level 3 qualification and has suitable under twos experience.

Should there be times that we become short of staffing, first we will rearrange the grouping of the children with a view to seeing if we can still safely meet the children's needs and the minimum ratios. Where this is not possible, we will enlist the services of vetted childcare agency staff. On doing so we will ensure that all agency staff prior to working with the children will be inducted into the settings policies and procedures and that they will work closely with another senior member of staff to provide consistent care for the children.

Supervision of staff

To ensure staff are supported and developed to effectively carry out their role in protecting and safeguarding children in their care the settings practice is led by the pre-school manager who is a qualified level 3 practitioner **Level four Management**. This practitioner has the responsibility for ensuring that procedures are in place for all staff to receive regular formal supervision **every three months**, that will provide staff with an opportunity to review their performance, practice and development in working with the children and their families.

The supervision staff access will provide opportunities to:

- discuss any issues – particularly concerning children's development or wellbeing, including child protection concerns
- identify solutions to address issues as they arise
- receive coaching to improve their personal effectiveness

EYFS 2017 3.22

Allegations against staff, volunteers, and supply staff

Should an allegation be made that an adult in a position of trust within our setting (member of staff, supply staff or volunteer) have behaved or may have behaved in a way that indicates that they may be unsuitable to work with children this will be brought to the immediate attention of the DSL. In the case of the allegation being made against the Deputy DSL this will be brought to the immediate attention of the Business Owner. The DSL or Business Owner will discuss with the Designated Officer for the Local Authority (LADO) the nature of the allegations made against the adult, with a view to the LADO making an evaluation and giving guidance. This may result in a strategy discussion depending on the nature of the allegation being made.

Should the allegation be made against a supply member of staff, in line with Keeping Children Safe in Education (2020), under no circumstances will the setting decide to cease to use the member of supply staff due to safeguarding concerns, without finding out the facts and liaising with the LADO to determine a suitable outcome. Should there be any conduct issues with an agency member of staff, which may not reach the threshold for safeguarding, we will consult the LADO.

Along with this the agency for the supply worker will be fully involved and expected to co-operate in any enquiries made by the LADO, police and/or children's social services. We as a setting where directed to do so by the LADO, police and/or children's social services, will support any safeguarding investigation by collecting the facts when an allegation is made. With this regard it may be that the setting will take a lead on the safeguarding element of the investigation.

In all cases any allegation made will be referred to the LADO immediately and followed up in writing within 48 hours. As part of the allegation management process the DSL will consider the safeguarding arrangements of the child or young person to ensure they are away from the alleged abuser. Along with

- Contact the parents or carers of the child/young person if advised to do so by the LADO.
- Consider the rights of the staff member for a fair and equal process of investigation.
- Advise Ofsted of allegation within 14 days of the allegation
- Ensure that the appropriate disciplinary procedures are followed including whether suspending a member of staff from work until the outcome of any investigation if this is deemed necessary.
- Ensure any decision made in any strategy meeting is acted on.

NB All early Years providers must report to Ofsted or the child minding agency that they are registered with 'any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with children on the premises to look after children

EYFS 2017 3.77 changes that must be notified to Ofsted or the relevant childminder agency

DBS Referrals

We as an employer of practitioners and volunteers in regulated activity will make a referral to the DBS when the conditions for doing so have been met.

We have a legal duty to refer any person engaged to work in regulated activity at **Morning Glory Pre-school** where an allegation has been substantiated, or where harm test has been met, irrespective of whether another body has made a referral to the DBS in relation to the same person; failure to do so is an offence.

A DBS referral can and will take place at any time during the Allegations / Disciplinary process and will take place at the earliest stage possible. There could be at a time when we consider that we should make a referral in the interests of safeguarding children or vulnerable adults even if we have not removed the person from working in regulated activity; this could include acting on the advice of the police or a safeguarding professional, or in situations where we don't have enough evidence to dismiss or remove a person from working with vulnerable groups. Making DBS referrals where the referral conditions are not met, will be done in consideration of relevant employment and data protection laws.

When employing supply staff, both Morning Glory Pre-school and the agency have a responsibility to refer as above. If an allegation is made against the DSL of our setting, the matter should be brought to the attention of the Deputy DSL or the manager of the setting or the registered person.

If an allegation is made against me as a Manager, I have a statutory duty to refer the allegation to the LADO at the earliest opportunity within 1 day and Ofsted (EYFS 2017, 3.77)

The full procedures for dealing with allegations against staff can be found in Keeping Children Safe in Education 2020. https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/892394/Keeping_children_safe_in_education_2020.pdf

Further information and guidance on making DBS referrals can be found on the link below <https://www.gov.uk/guidance/making-barring-referrals-to-the-dbs#should-i-make-a-referral-when-an-allegation-is-first-made-or-when-i-temporarily-suspend-someone>

Whistleblowing

Whistleblowing is when someone raises a concern about a dangerous or illegal activity or any wrongdoing within their organisation. Raising a concern is known as "blowing the whistle" and is a vital process for identifying risks to people's safety. Sharing information or talking through a concern can be the first step to helping an organisation identify problems and improve their practices.

The wrongdoing you disclose must be in the public interest. This means it must affect others, for example the general public.

Remember as a whistle blower you're protected by law. As a result of whistle blowing you should not be treated unfairly or lose your job because you have 'blown the whistle'.

Adapted from the NSPCC <https://www.nspcc.org.uk>

You can raise your concern at any time about a current incident or in relation to something that happened in the past or you believe will happen in the near future. We recognise that children cannot be expected to raise concerns in an environment where staff fail to do so. For this reason, all staff at Morning Glory Pre-school are aware that they have a duty to raise concerns about the attitude or actions of colleagues via the settings whistleblowing and complaints policies and that they have a right to seek appropriate advice from the following

LADO & safeguarding team telephone number 020 8496 3646 (9-5pm Monday to Friday) email Safeguardingineducation@walthamforest.gov.uk

Ofsted telephone number call our whistleblowing hotline on 0300 1233155 (8am to 6pm, Monday to Friday) email whistleblowing@ofsted.gov.uk write to: WBHL, Ofsted, Piccadilly Gate, Store Street, Manchester, M1 2WD

NSPCC Contact the Whistleblowing Advice Line
Call 0800 028 0285 or Email help@nspcc.org.uk

Ratios

To ensure the safety and the wellbeing of the children in our setting we will ensure we follow the current recommended ratios and qualifications for the safe care of children as set out in the statutory framework for the Early Years Foundation Stage in the setting, as at April 2017 these were as follows:

For Early Years providers other than childminders:

- For children under two: one member of staff to every three children
- At least one member of staff within the group will hold a full and relevant level 3 qualification and will have suitable experience of working with children under two
- For children aged two: one member of staff for every four children.
- At least one member of staff will hold a relevant level 3 qualification. At least half of all other staff in the group will hold a relevant level 2 qualification
- For children aged three where there is a suitably qualified level 6 or persons with qualified teacher status working directly with the children the ratio can be one member of staff for each thirteen children.

- For children aged three where there is no suitably qualified level 6 or persons with qualified there will be one member of staff for every eight children. At least one member of staff will hold a full and relevant level 3 qualification and at least half will hold a relevant level 2 qualification.
- Only those aged 17 or over will be included in the child/staff ratios. Where there are staff under 17 years of age, they will always be supervised by a level 3 qualified member of staff.
- Students and volunteers on long-term placement aged 17 years or over and staff working as apprentices in early education aged 16 or over may only be included in the ratios if the manager is satisfied that they are competent and responsible.
- At least one person who has a current Pediatric First Aid (PFA) will always be on the premises and available when children are present and will accompany children when they go on outings.

**To check qualifications are full and relevant. <https://gov.uk/guidance/early-years-qualifications-finder>

Mobile phones, Smart watches, Photography and technology in the Pre-school

To ensure the safety of the children in the setting we operate a no mobile phone usage in the setting for both parents' visitors and staff. To enforce this policy staff phones and smart watches are kept in the office and are signed in and out of the office. In terms of visitors to the setting they will be asked to leave their mobile phone/ smart watches in the office whilst on the premises. Should they need to make a phone call this they can do either in the Pre-school Office or another area where there are no children as directed by the manager or DSL.

This policy includes details of how internet use at the Pre-school is filtered and monitored and how we teach children to stay safe online whether they are at the Pre-school or at home.

As a setting we recognise information technology provides endless learning opportunities for children. We also acknowledge that not all encounters with information technology are positive and as such can be harmful to the safety and the wellbeing of the children. For this reason, when using information technology programmes and equipment we will:

- Check all apps, websites and search results before using them with children.
- Always ensure children are supervised when accessing the internet.
- Ensure safety modes and filters are applied to computers / tablets.
- Role model safe behaviour and privacy awareness.
- Talk to children about safe use
- Ask permission before taking a child's picture even if parental consent has been given.
- Check privacy settings to make sure personal data is not being shared inadvertently or inappropriately

<https://www.gov.uk/government/publications/safeguarding-children-and-protecting-professionals-in-early-years-settings-online-safety-considerations>

Visitors

To ensure the safety of the children in the setting we have procedures in place for recording the details of visitors and the purpose of their visit to our setting. The setting's security procedures ensure that the possibility of unauthorised persons having access to the children is minimised. Under no circumstances will visitors/contractors be allowed unsupervised access to the children. Visitors/contractors will always be supervised whilst on the pre-school premises, especially when in the areas the children use. In addition to these arrangements we ask that parents do not open or hold the door for other persons to gain access to the building without being vetted by staff.

Defining Abuse – Signs & Symptoms

There are four categories of abuse:

- Physical abuse
- Sexual abuse
- Emotional abuse
- Neglect

These four categories of abuse and the possible indicators are detailed in the Department of Health 'Working Together to Safeguard Children' document 2010. It should be noted that those listed are not a definitive list, though children's poor behaviour maybe a sign that they are suffering harm or that they have been traumatised by abuse, some children may present these behaviours for reasons other than abuse.

It is important that all staff working at Morning Glory Pre-school are aware of the indicators of abuse and that they should always **consult when concerned**.

Type of Abuse	Possible Indicators
<p>Neglect The persistent failure to meet a child's basic physical and psychological needs, likely to result in the serious impairments of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:</p> <ul style="list-style-type: none">provide food, clothing and shelter;protect a child from physical and emotional harm or danger;ensure adequate supervision;	<p>Obvious signs of lack of care including:</p> <ul style="list-style-type: none">Problems with personal hygiene;Constant hunger;Inadequate clothing;Emaciation;Lateness or non-attendance at the setting;Poor relationship with peers;Untreated medical problems;

ensure access to appropriate medical care or treatment.	Compulsive stealing and scavenging; Rocking, hair twisting, thumb sucking; Running away; Low self-esteem.
Physical Abuse May involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child e.g. FGM, Breast ironing. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child	Physical signs that do not tally with the given account of occurrence conflicting or unrealistic explanations of cause repeated injuries delay in reporting or seeking medical advice.
Sexual Abuse Forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, penetrative or non-penetrative acts and also includes involving children in watching pornographic material or watching sexual acts.	Sudden changes in behaviour Displays of affection which are sexual and age inappropriate Tendency to cling or need constant reassurance Tendency to cry easily Regression to younger behaviour – e.g. thumb sucking, acting like a baby Unexplained gifts or money Depression and withdrawal Wetting/soiling day or night Fear of undressing for PE
Emotional Abuse The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child’s emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person.	Rejection Isolation child being blamed for actions of adults child being used as carer for younger siblings affection and basic emotional care giving/warmth, persistently absent or withheld.

Bruising in babies

Should we observe bruising in a baby who is not crawling, cruising or independently mobile we will raise the concern with the child's parent in the first instance depending on the timing and the nature of the concern. In all cases bruising in pre-mobile children a referral will be made to MASH.

<https://learning.nspcc.org.uk/research-resources/pre-2013/bruises-children-core-info-leaflet>

Supporting children

At **Morning Glory Pre-school** we will

Ensure that our approach is child-centred, considering always what is in the best interest of the child

We will safeguard children both preventatively and responsively ensure that we deliver a broad and balanced curriculum response to online safety that will enable children and parents to learn about the risks of new technologies and social media and to use these responsibly both at the setting and at home.

To safeguard children from potentially harmful and inappropriate online material we will ensure that our ICT equipment at our setting has filtering controls.

We will also ensure that we

- Have clear standards of behaviour for staff / volunteers and children.
- Promote good health, effective management of medical conditions, and the development of self-care in children
- liaise and work together with other support services and those agencies involved in safeguarding children
- Manage children's behaviour by anticipating possible concerns, prevention strategies, and clear, fair responses to challenging behaviour
- Monitor all children who have been identified as having welfare or safeguarding concerns and provide appropriate support.
- Maintain records that document safeguarding concerns over time, including low-level worries about a child or young people that together may paint a picture of concern
- Ensure that all of our policies and procedures relating to safeguarding and wellbeing are updated annually in collaboration with the management.
- Ensure that all staff understand the additional safeguarding vulnerabilities for certain groups of children and how to address them

Additional vulnerabilities and characteristics in children under five include:

- Children who are looked after by the Local Authority
- Children previously looked after by the Local Authority
- Children showing signs of being drawn in to anti-social or criminal behaviour
- Children at risk of modern slavery, trafficking or exploitation.
- Children in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse
- Children showing early signs of abuse and/or neglect.

- Children at risk of being radicalised or exploited.
- Privately fostered children
- Children with special educational needs or disabilities

Special Educational Needs

All staff at **Morning Glory Pre-school** are aware of the signs and symptoms of abuse. As Early Years Practitioners we recognise that children with special educational needs and disabilities (SEND) can face additional safeguarding challenges and that additional barriers can exist when recognising abuse and neglect in this group of children.

These barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration.
- being more prone to peer group isolation than other children.
- the potential for children with SEND being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

Children and mental health problems

We at **Morning Glory Pre-school** recognise mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or even exploitation. Where it is known that children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can impact on their mental health, behaviour and in turn impact on their education. Our setting will identify the additional needs of these children and provide extra monitoring and support to mitigate these additional barriers. Where necessary, referrals will be made to mental health professionals and or early help for further support.

At our setting we aim to take a trauma informed approach to support the children in the setting, considering their lived experience, and using this to inform how best to support them in terms of their welfare and engage them with learning.

In general, we will always discuss any concerns the setting may have with the child's parents. Parents need to know that we are worried about their child. However, we will not discuss our concerns if we believe that this would place the child at greater risk or lead to loss of evidence for a police investigation.

If we decide not to discuss our concerns with the child's parents or carers this will be recorded in the child's safeguarding file with a full explanation for our decision.

Specific Safeguarding

Private Fostering

A private fostering arrangement is one that is made privately (without any involvement of a Local Authority) for the care of a child under the age of 16 years (under 18, if disabled) by someone other than a parent or close relative, in their own home, with the intention that it should last for 28 days or more. Both birth parents, private foster carers and persons who are seeking to arrange for a child to be privately fostered are required by law to notify the Waltham Forest Council's Children's Services department of the arrangement.

Should we become aware that a child is being privately fostered we will notify the MASH team.

Female Genital Mutilation (FGM)

We at Morning Glory Pre-school have a legal duty to protect all children in our care under the Working Together to Safeguard Children 2018 agenda. This duty extends to protecting young girls and women from FGM, an illegal and extremely harmful practice and a form of abuse. All staff in our setting have received training to increase their awareness of the practice and harm FGM causes.

We recognise that children are at higher risk of FGM if this has already been carried out on their mother, sister or a member of their extended family (HM Government, 2016). In consideration of this we will always maintain a culture of vigilance.

Should a child in our care show any signs and symptoms of FGM or we have good reason to believe that the child is at risk of FGM, we will refer the child to Waltham Forest MASH team using our existing standard safeguarding procedures as it is a form of child abuse. However, should we think a child is in immediate danger we will contact the police on 999

<https://www.gov.uk/government/collections/female-genital-mutilation>

Prevent

The safeguarding and Welfare Requirements, Child Protection (EYFS 2017, 3.4) states 'Providers must be alert to any issues for concern in a child's life at home or elsewhere, meeting this requirement Providers must have and implement a policy, and procedures, to safeguard children'. As part of the arrangements to safeguard the children we are committed to the Prevent Duty to help protect children from radicalisation and extremism under section 26 of the Counter-Terrorism and Security Act 2015. To do this we will do by:

- Understanding our own role and responsibilities on how to protect children from extremism
- Promoting and embed fundamental British Values in the setting through the activities and policies of the setting
- Ensuring that staff have up to date training that provides them with the knowledge on how to identify children at risk.
- Monitoring children's attendance and following up absences

Link to Prevent on line training <https://www.elearning.prevent.homeoffice.gov.uk/edu/screen1.html>
Local Authority contact email or phone the Senior Programme Manager (Prevent Education) Amy Strode
Email: Amy.strode@walthamforest.gov.uk Telephone: 07816150037.

Domestic Abuse

Waltham Forest has adopted the Safe & Together model of working with children affected by domestic abuse. This includes working in partnership with the abused parent and holding the perpetrating parent to account.

Domestic abuse is defined as any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- psychological
- physical
- sexual
- financial
- emotional abuse.

For children seeing, hearing or knowing of a parent being abused is a traumatic experience and can have long-term damaging emotional and psychological effects. Wherever Domestic Violence is suspected in a home where a child is resident, we at **Morning Glory Pre-school** will refer this information to the MASH team, who have a duty to investigate. We will also offer support and signpost parents to external agencies, if appropriate, so parents are supported

Additional advice on identifying children who are affected by domestic abuse and how they can be helped is available at:

- NSPCC- UK domestic-abuse Signs Symptoms Effects
<https://www.nspcc.org.uk/what-is-child-abuse/spotting-signs-child-abuse/>
- Refuge what is domestic violence/effects of domestic violence on children
<http://www.refuge.org.uk/get-help-now/what-is-domestic-violence/effects-of-domestic-violence-on-children/>
- Refuge runs the National Domestic Abuse Helpline, which can be called free of charge and in confidence, 24 hours a day on 0808 2000 247.
- SafeLives: young people and domestic abuse
<https://safelives.org.uk/sites/default/files/resources/Safe%20Young%20Lives%20web.pdf>

Homelessness

Being homeless or being at risk of becoming homeless presents a real risk to a child's welfare. The DSL (and any deputies) refer any concerns to the Local Housing Authority so they can raise/progress concerns at the earliest opportunity.

Indicators that a family may be at risk of homelessness include household debt, rent arrears, domestic abuse and anti-social behaviour, as well as the family being asked to leave a property. Whilst referrals and or discussion with the Local Housing Authority should be progressed as appropriate, this does not replace a referral into Children's Social Care where a child has been harmed or is at risk of harm.

So-called 'honour-based' abuse (HBA)

So-called 'honour-based' abuse (HBA) encompasses crimes which have been committed to protect or defend the honour of a family and/or community. Such crimes include Female Genital Mutilation (FGM), forced marriage, and practices

such as breast ironing. Abuse committed in the context of preserving 'honour' often involves a wider network of family or community pressure and can include multiple perpetrators. It is important to be aware of this dynamic and additional risk factors when deciding what form of safeguarding action to take.

Staff will be alert to the possibility of a child being at risk of HBA or already having suffered HBA.

All forms of so-called HBA are abuse (regardless of the motivation) and staff will record and report any concerns about a child who might be at risk of HBA to the Designated Safeguarding Lead as with any other safeguarding concern. The DSL will consider the need to make a referral to the Police, and/or Children's Social Care as with any other child protection concern; and may also contact the Forced Marriage Unit for advice as necessary.

Setting Specific Safeguarding policies

At **Morning Glory Pre-school** we recognise that safeguarding children is not just about protecting children from deliberate harm, but also includes things such as child safety anti bullying, racial abuse harassment, visits out into the community, intimate care, use of mobile phones, internet safety, first aid etc. In consideration of this the safeguarding policy should be read in conjunction with our settings specific policies, procedures and other protocol: (please amend policy list as appropriate to the setting)

Managing Behaviour (Including guidance on positive handling)	Adopted;
Staff Behaviour / code of conduct Policy	Adopted:
Anti-bullying	Adopted:
Confidentiality	Adopted:
Drugs and substances	Adopted:
Attendance	Adopted:
E-Safety Policy	Adopted:
Camera, smart phone/ watch & Image Policy	Adopted:
Mobile Phone Policy	Adopted:
Health and Safety	Adopted:
Risk assessments	Adopted:
Racial Discrimination	Adopted:
Equality and Diversity	Adopted:
Educational Visits	Adopted:
Lost child & non collection	Adopted

Risk Assessment	Adopted:
EQUAL OPPORTUNITY	Adopted:
Complaints	Adopted:
Medicines / sickness/ medications	Adopted:
Managing Dietary requirements	Adopted:
SEN / Inclusion	Adopted:
Staffing policy	Adopted:
Paediatric First Aid	Adopted:
Code of Conduct	Adopted:
Whistle Blowing	Adopted:
Managing Allegations	Adopted:
Physical Restraint	Adopted:
Safe Recruitment	Adopted:
Information Sharing	Adopted:
Complaints policy	Adopted:

Approved : Elizabeth Oyinka-Antwi

Adopted on 26/06/2021

Review Date: 26/06/2022

The above list is not exhaustive and as new policy guidance and legislation develops within the remit of Safeguarding, we will review and update our policies and procedures as appropriate and update the policy accordingly.

The voice of the child

At Morning Glory Pre-school, we will ensure that our approach to safeguarding children in our care is always child centred. This means we will always consider, what is in the best interests of the child. Along with this we will try to understand the lived experience of the child in each family, setting or neighbourhood, so that we can give the child a voice in their own safeguarding to ensure that their voice is understood and incorporated into all plans to support and protect them.

Dealing with disclosures made by children

Should a child make a disclosure of abuse as with all Child Protection concerns, we will act on the information immediately. If staff concerned that a child may be at risk or is suffering abuse, they must report the concern to the DSL Elizabeth or in their absence to the deputy DSL Sabrina.

If a child makes a disclosure or an allegation of abuse against an adult or another child or young person, it is important that you:

- Stay calm and listen carefully.
- Reassure them that they have done the right thing in telling you.
- Do not investigate or ask leading questions.
- Let them know that you will need to tell someone else.
- Do not promise to keep what they have told you a secret.
- Inform your Safeguarding Designated Officer as soon as possible.
- Make a written record of the allegation, disclosure or incident which you must sign, date and record your position using the setting concern about a child's welfare & safety form (See Appendix 5).

****Where an allegation is made against a professional the DSL will immediately advise the Lead safeguarding Officer of the matter***

We are aware that parents are normally the first point of contact should a concern arise regarding their child. If a suspicion of abuse is recorded, we will inform parents at the same time the report is made. The only exception to this taking place is where informing the parents will place the child at further risk. This will usually be the case where the parent or family member is the likely abuser or where a child may be endangered by this disclosure. In these cases, the investigating officers will inform parents.

In any case the setting will continue to welcome and work professionally with the child and their family whilst enquiries are being made in relation to abuse in the home situation. Parents and families will be treated with respect in a non-judgmental manner whilst any external investigations are carried out in the best interest of the child.

What to do if you're worried a child is being abused: advice for practitioners

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/419604/What_to_do_if_you_re_worried_a_child_is_being_abused.pdf

Information Sharing

We at Morning Glory Pre-school view information sharing as an essential part of our arrangements to safeguard the children in our care. The Data Protection Act 2018 and GDPR do not prevent the sharing of information for the purposes of keeping children safe. Any information shared will be done on a need to know basis to aid the effective assessment and identifying of children at risk. As practitioners we are clear about when we should share information and be alert to the signs and triggers of child abuse, should there be a suspicion enquiries and external investigations are kept

confidential and shared only with those who need to know. Any information shared will be in line with guidance from the local authority and police

Referrals

MASH is Waltham Forest's single point of referral to social care for concerns regarding children, young people and vulnerable adults:

- Early Help (parental consent needed)
- Child in Need
- Child Protection
- Adult Safeguarding

Referrals to the MASH should be made immediately when there is a concern that the child is suffering significant harm or is likely to do so.

It is good practice to notify MASH by phone and/or email to discuss the case prior to sending a written referral. This will help determine the level of intervention and will also give children's social care and the police time to make arrangements to come and see the child that same day in the pre-school if deemed necessary.

In our setting the DSL ordinarily takes responsibility for the referral process, in consultation with staff who know the child. Still, there are circumstances where another member of staff must refer without delay:

If for some reason, the DSL is not available, the referral should be made without delay by the deputy DSL, manager or another member of staff

If you disagree with your DSL's decision not to refer a case to MASH, it is your responsibility to refer the case, and to respectfully inform the DSL that you are doing so.

Should another member of staff refer instead, the DSL must be consulted and updated as soon as possible.

It is noted that All Adults in our setting, including the DSL, have a duty to refer all known or suspected cases of abuse to the relevant agency including MASH, LADO, or the Police. Where a disclosure is made to a visiting staff member from a different agency, e.g. Early Years Consultants, Health Visitors, it is the responsibility of that agency staff to formally report the referral to the Setting's DSL in the first instance and to follow their organisations procedures. Any records made should be kept securely on the Child's Protection file

Holding children in the setting after a MASH referral

Sometimes MASH social workers and police will want to see a child on the day of referral to ensure that they are safe to go home. In such cases, they will ask you to keep the child in setting until the visit has taken place.

Because it can take time to organise the visit with an available social worker and police officer, sometimes families will be asked to wait at the setting before a child is released to them, and they may be asked not to see their child during this time.

This can be stressful and uncomfortable for both the setting and families and sometimes all are kept at the setting until late in the evening. The setting should prepare families for the length of time this process can take and treat them with compassion and understanding and make every attempt to facilitate this difficult process.

Although settings do not have legal powers to remove or detain children, both police and social workers do have such powers, and it is at their request that the setting are holding the child. For this reason, families are strongly advised to cooperate in order to ensure the best chances that children will be able to go home that evening.

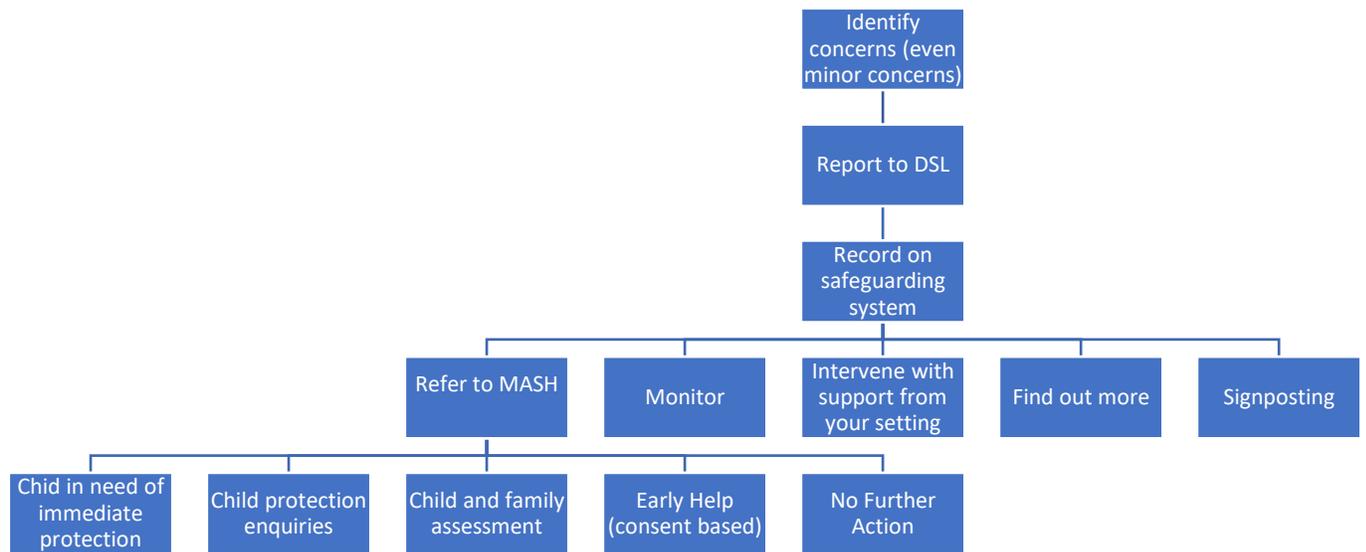

Escalation

If you have concerns regarding the lack of response to professional opinions and judgements expressed by your staff about safeguarding matters including concerns that social care services are not taking appropriate actions regarding the well-being of a child or are not responding in a timely fashion to your concerns..

Professional disagreements (escalation) will be responded to in line with WFSCB procedures and DSLs may request support via the Education Safeguarding Service

https://www.walthamforest.gov.uk/sites/default/files/childrens_escalation_letter_december_2019.pdf

Flowchart – Actions where there are concerns about a child

Early Help-Identifying children and families who would benefit from early help.

In line with our responsibilities under Working Together to Safeguard Children (2018) we are committed to identifying those children who would benefit from Early Help support.

Link to Thresholds and practice working with children and families Waltham Forest

<https://thehub.walthamforest.gov.uk/news/guide-thresholds-and-practice-working-children-and-families-waltham-forest>

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/912592/Keeping_children_safe_in_education_Sep_2020.pdf

Quality Assurance

We will ensure that systems are in place to monitor the implementation of and compliance with this policy and accompanying procedures. This will include periodic audits of welfare concern and safeguarding files and records by the DSL.

We will complete a self-assessment audit of the settings safeguarding arrangements at frequencies specified by the WFSCB and using the audit tool provided by the Safeguarding in Education team for this purpose

Appendix 1

The responsibility of the DSL includes

Being the operational person with delegated lead responsibility for safeguarding in the setting (*childminders must take the lead responsibility themselves*)

Inducting staff about emergency procedures, safeguarding, child protection and health and safety arrangements

Providing support advice, training to both staff students, volunteers and guidance to all on an ongoing basis with regards to specific safeguarding issues

Liaising with **Governors/Trustees/Managing Directors at the setting**, local Statutory children's service agencies, Waltham Forest Safeguarding Children's Board (WSCB) and all other agencies concerned with the protection of children, including social services, police and health colleagues.

- Referring cases of suspected abuse to children's social care and police as appropriate.
- Referring cases to the Channel programme where there is a radicalisation concern as appropriate.
- Referring cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as appropriate.
- Keeping detailed records in confidential files, ideally via an online safeguarding recording system, that are separate from the main child's file and stored securely.
- Ensures that, when a under child leaves the setting that all child protection records are passed to the new setting (separately from the child's main file ensuring secure transit) and confirmation of receipt is obtained. If the child is the subject of an open case to Children's Social Care, the child's social worker is also informed.
- Ensuring the secure transfer of child protection files where child leaves setting to attend another provider/school
- Representing the setting at inter-agency meetings strategy discussions, child protection conferences and core groups; along with provide and/or support other staff to do so – and to contribute to the assessment of children
- Managing and monitoring the setting's role in early help, child in need and child protection plans.

****NPCC- When to call the police should help DSLs to understand when they should consider calling the police and what to expect when they do. (not really applicable for early years**

Body Map Guidance for Early Years and Schools

Body Maps should be used to document and illustrate visible signs of harm and physical injuries.

Always use a black pen (never a pencil) and do not use correction fluid or any other eraser.

Do not remove clothing for the purpose of the examination unless the injury site is freely available because of treatment.

***At no time should an individual teacher/member of staff or school take photographic evidence of any injuries or marks to a child's person, the body map below should be used. Any concerns should be reported and recorded without delay to the appropriate safeguarding services, e.g. Social Care direct or child's social worker if already an open case to social care.**

When you notice an injury to a child, try to record the following information in respect of each mark identified e.g. red areas, swelling, bruising, cuts, lacerations and wounds, scalds and burns:

- Exact site of injury on the body, e.g. upper outer arm/left cheek.
- Size of injury - in appropriate centimetres or inches.
- Approximate shape of injury, e.g. round/square or straight line.
- Colour of injury - if more than one colour, say so.
- Is the skin broken?
- Is there any swelling at the site of the injury, or elsewhere?
- Is there a scab/any blistering/any bleeding?
- Is the injury clean or is there grit/fluff etc.?
- Is mobility restricted as a result of the injury?
- Does the site of the injury feel hot?
- Does the child feel hot?
- Does the child feel pain?
- Has the child's body shape changed/are they holding themselves differently?

Importantly the date and time of the recording must be stated as well as the name and designation of the person making the record. Add any further comments as required.

Ensure First Aid is provided where required and record

A copy of the body map should be kept on the child's concern/confidential file.

Email: MASHrequests@walthamforest.gov.uk

for NHS.net account please can you send to MASHrequests@walthamforest.gov.uk.cism.net

Requests for Help, Support, Protection or Safeguarding must be made via this form and all relevant sections **MUST** be completed in order to support a good referral. Advice and guidance on a Request for Help and Support of Protection:

https://directory.walthamforest.gov.uk/kb5/walthamforest/directory/advice.page?id=27fyEuq_Qzo

You can make a '**Request for Help and Support**' if you think the subject has additional emerging, complex or acute needs which require a multi-agency intervention; for example, persistent truanting, chronic/recurring health problems, concerns re mental health, substance misuse or behaviour that is harmful to self and others. Before making this request you should **gain consent** of the child/young person/adult or family concerned.

If you are worried that a child is at risk of significant harm i.e. through abuse or neglect, or their condition is acute, you should make a '**Request for Protection**'. In this case you should inform the parents unless this will endanger the child's safety.

If you have an Adult Safeguarding Concern as you are concerned that the adult is at risk of abuse or neglect you should make a '**Request for Safeguarding**'.

Any decision made by the MASH team will be in line with the Early Help and Threshold Criteria for Intervention which outlines and defines different levels of need (including emerging, multiple, complex and acute) for children.

The Care Act guidance and Adults Threshold Documents will be applied when referrals are made for Adult to determine if a statutory Duty is applied to assist and support vulnerable adults who have eligible needs

WHEN TO EXPECT A RESPONSE

- We will make sure that you receive an automatically generated written response to your referral within 24 hours
- If you do not hear back from us regarding the outcome and/or progress of your referral, please contact the MASH Team
- If you encounter any difficulties in relation to your referral that you wish to bring to the attention of a Senior Manager, please contact the MASH Head of Service

Contact details and personal information

Details of the person making contact:

Name:	
Agency/Team:

Request for Help Support, Protection or Safeguarding

If appropriate, what level of need does this client or family display?

Emerging	Multiple	Complex	Acute
-----------------	-----------------	----------------	--------------

What led to this referral? If possible, please refer to the level of need.

What support has been provided to the client or family? How have the level of needs been met?

Please state why you think the client has met the threshold for an assessment

Has an Our Family Journey assessment or any other assessment been completed?

Y/N

If Yes, please attach the assessment to this referral

Once you have completed this form the information will be collated, and our Multi Agency Team will make a decision about the next step. This decision will be made within 48 hours of receipt of a fully completed form (24 hours if there are Protection concerns) and you will be notified accordingly

Appendix 9

Waltham Forest LADO Referral Form

For the statutory reporting of Allegations against Staff & Volunteers (ASV) working with children & young people

By law, organisations / sole traders must complete and email this referral within 24 hours of becoming aware that someone working with children has:

Behaved in a way that has harmed, or may have harmed, a child/ren (under 18)

Possibly committed a criminal offence against, or related to, a child/ren (under 18); or

Behaved towards a child/ren in a way that indicates they are unsuitable to work with children

Upon becoming alerted to an allegation against staff & volunteers (ASV), the senior officer must:

Remove the immediate risk

Support the child(ren) and inform their parents

Refer to MASH as required

Treat concerns seriously & follow procedures

Do not investigate

Keep an open mind

Do not notify the member of staff/volunteer of the details of the allegation / the person making the complaint

Make LADO referral

Remind all parties of the requirement for confidentiality; failure could result in criminal charges

LADO Referrals

The employing organisation's senior officer should call the Duty LADO immediately (or within 24 hours) to discuss the next course of action on **0208 496 3646**, complete a LADO referral form, and send it securely to: LADO@walthamforest.gov.uk
